Overview Booklet

Why choose Uinsure?

Our Home Insurance is multi-award winning and 5 star rated by independent financial research specialists Defaqto & Moneyfacts.

We work closely with your Advisor and some of the UK's largest insurers to make sure that our products and services are the best they can be.

You choose the cover that's right for you and only pay for the additional cover you need.

We cover your buildings up to £1m as standard to protect against loss or damage to the structure of your home.

Your contents are covered up to £75,000 as standard, with the option to increase this to £100,000.

We offer a one year guarantee on home repairs carried out by insurer appointed builders.

Unlike some other insurers, we'll pay to trace the source of a leak and make good any damage caused.

We'll replace your contents as new if they are lost, stolen or beyond repair.

Our experienced claims and customer service teams are all UK based and help is available 24/7.

You can amend, or even cancel your policy at any time, free of charge.

5 Star Rated

Our Home Insurance product has been awarded a maximum 5 star rating by Defaqto - the independent, financial research experts - as well as Moneyfacts.

This means that the products we offer are deemed the most comprehensive in the market.

The highest level of cover, every time

Unlike many home insurance providers, we only offer one level of cover.

This is because we offer you the highest level of cover possible, every time.

Our competitive pricing means that you don't need to worry about low cover limits, or losing out on essential cover.

However, this doesn't mean that you can't tailor your insurance to suit your needs. With our market-leading optional extras, you can choose how much cover you'd like to receive.

Cover that matters to you

Buildings Insurance

Our Buildings Insurance covers the structure of your home, including the roof, walls, and outbuildings, as well as permanent fixtures inside, such as kitchen cabinets, toilets and fitted wardrobes.

Accidental Damage Cover

Accidental Damage Cover is designed to protect your buildings and / or contents against damage that is caused by unintended mishaps, which could include spillages and breakages in the home.

Contents Insurance

Our Contents Insurance covers your household belongings if they are damaged, lost or stolen. This protects things like furniture, TVs, technology and clothing.

Family Legal Protection Cover

Disputes can occur at any time and range from employment issues, personal injury claims and problems with tradesmen working at your home. Our legal cover is here to help.

Home Emergency Cover

Call our helpline (24/7 all year round) and you won't have to worry about finding a tradesman at short notice or paying over the odds for emergency assistance. We'll send an approved tradesman to make your home safe, secure, habitable, and help prevent further damage.

Personal Possessions Cover

Standard contents insurance only covers items inside the home - not outside. If you need to cover items such as cameras, mobile phones, bicycles, watches and jewellery when away from your home then you can add Personal Possessions cover to your home insurance policy.
